

## mCompanion®

### Your companion on the go

mCompanion® handles all of the challenges that your service and maintenance employees face in their everyday tasks. Facilitate productive work for your team and efficient use of a very valuable resource: time.

This application is perfectly customized for SAP and supports the business processes of the CS/PM/PS (EAM) SAP modules on mobile devices.

- ✓ For all mobile platforms
- ✓ Always in sync thanks to push technology
- ✓ Integration into your SAP processes

SAP®-COMPATIBLE AND  
PLATFORM-INDEPENDENT
